JOB SEARCH AND COMPUTER WORKSHOPS OFFERED IN BRISTOL, PA

Ace the Interview: Learn interviewing techniques that focus on behavioral and traditional interview questions. You will learn how to answer the hardest questions in an interview and the importance of follow-up.

Computers Basics I: Teaches basic computer skills, including copy, cut, paste and Windows PC navigation. Includes basics of uploading a resume online.

Computer Basics II: In this workshop learn about identifying the operating system running a computer, what an IP address is and how to identify it, what a network is, more on using the internet, the cloud, internet safety, finding downloads on a computer, and identifying the devices connected to a computer.

Cut Your Job Search by 50%: Make your job search as efficient and effective as possible. Learn tips on being organized, efficient, using social media effectively and how networking is critical for the job search.

Excel I: Learn the best practices and the foundation for Excel including: cursor positions and editing cells; how to create spreadsheets; perform basic data entry; execute spreadsheet operations, copy and fill series, inserting, deleting and adjusting columns and rows; formatting, saving, basic formulas, creating borders, formatting dates and conditional formatting. Excel 2016

Excel II: *Must have taken Excel I.* Learn and perform: commonly used formulas; continue copy and fill series; inserting and modifying comments; filtering and sorting; database essentials; perform subtotals; create and modify charts. Excel 2016

Excel III: Learn how to create a PivotTable and a pivot chart, perform lookups, use data validation (control inputs from a list), link cells, IF and Countif functions, using text to columns function and arranging the view of various spreadsheets. **Must have taken Excel I & Excel II and have a strong working knowledge of Excel.** Excel 2016

Finding a Job After 50: Join the growing number of over-50 job seekers in our Computer Lab to seek guidance on job search issues specific to this age group.

Keyboarding & Mouse: Basic keyboarding is an important skill in today's workplace. Learn how to use the mouse and keyboarding beyond the 'hunt and peck' style of typing. Students will practice typing using Mavis Beacon software.

Open Lab: Come any time during this workshop to use the computer for job search activities; get assistance with learning the computer; take a tutorial or practice Word, Excel, PowerPoint. Staff available for questions and assistance.

PowerPoint I: Learn how to use the program to create a presentation using slides, adding text, images, sounds, animation and slide transitions. PowerPoint 2016

PowerPoint II: *Must have taken PowerPoint I.* Learn effective presenting skills and create your own presentation; volunteers will present their presentation. PowerPoint 2016

Resume Revival: Update your resume during this workshop, including critique and formatting. **Must come with a hard copy of your resume and have access to it electronically (email, flash drive, or Job Gateway).** For best results, bring a flash drive and/or have access to your email (incl. password). **Must be registered to attend but prepared walk-ins may be accepted if space is available. Starts promptly; late comers may not be accommodated.**

Resume Critique: BY APPOINTMENT ONLY. Please call or email Julie Rita-Di Pietro to schedule time to review and update your resume 215-781-1073 x2248 or jritadietro@buckscareerlink.org

Word I: Participants become familiar with the software and cursor essentials; learn word processing terms and applications; how to select text; font formatting; paragraph alignment, margins, page setup, saving and spell check. Word 2016

Word II: *Must have taken Word I.* Learn how to: copy, cut, paste; use paste special and format painter; format paragraphs and pages; bullet lists and columns; insert headers and footers, page numbers, tabs, tab stops and symbols; find and replace and tables. Word 2016.

Writing a Cover Letter: Resumes don't tell your full story to an employer. This workshop will lead you through writing an effective cover letter to provide a better snapshot of you as an employee and highlight the value you bring. Can create a cover letter during the workshop. If you have a cover letter, bring it for critiquing.
