## Descriptions - Summer Career Camps at Bucks!

Please rank (1-3) preference below and indicate on your application. We will do our best to honor all requests, but there are no guarantees.

Choice # \_\_\_\_\_ **Ultimate Escapes: (Ages 8-9)** Are you curious? Do you like being outdoors and exploring nature? Do you like to fish and swim? If yes, then this camp is for you.

- ✓ Create cool crafts and fascinating science experiments - including magic slime
- ✓ Participate in exciting indoor/outdoor games, and go swimming in the pool
- ✓ Experience fishing, exploring, and nature-related exercises at Tyler Park

Choice # \_\_\_\_\_ **Kaboom!: (Ages 8-13)** Would you like to have fun dropping raw eggs from high heights without breaking the shell and shooting off soda geysers? If yes, then this camp is for you.

- ✓ Watch volcanoes erupt and scientific discoveries unfold
- ✓ Create ocean wave machines and tornadoes in bottles
- ✓ Test, observe, and analyze results on many fun projects

Choice # \_\_\_\_\_ **Lego Animation: (Ages 8-13)** Do you like to create with LEGO bricks? Would you like to make an animated movie? If yes, then this camp is for you.

- ✓ Brainstorm ideas, create a storyboard, construct props, and shoot still frames
- ✓ Use Movie Maker to make your LEGO creations appear to be moving
- ✓ Have your animation uploaded to the Internet

Choice # \_\_\_\_\_ **NASTAR: (Ages 10-13)** Did you ever wonder what it would be like to fly? Would you like to know more about space travel and the fascinating world of flight? If yes, then this camp is for you.

- ✓ Create and launch small gliders, rockets, and more
- ✓ Visit the NASTAR (National AeroSpace Training and Research) Center
- ✓ Experience piloting a flight simulator

Choice # \_\_\_\_\_ **Student Racing Challenge: (Ages 10-13)** Did you ever wonder what it would be like to be on a professional NASCAR racing team? If yes, then this camp is for you.

- ✓ Tune the performance of your team's 1:10 scale radio-controlled (RC) car
- ✓ Use science, math, technology and engineering skills on your investigations and projects to help your team win the challenge
- ✓ Ladies & Gentlemen – tune your engines!
