## **ParaEducator(#13297017)**

### **Objective:**

A Paraeducator is responsible for assisting the teacher/therapist in providing instruction and support to assigned students in an educational setting, which is designed to promote intellectual, behavioral, emotional, and social growth. Paraeducators can be assigned to individual students or to multiple students. All functions are performed under the direction of the teacher/therapist.

### **Essential Functions:**

- Provide one-on-one tutoring (if such tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher)
- Assist with classroom management, such as organizing instructional and/or other materials
- Act as a liaison in communicating with teacher and other IU and district staff regarding ongoing needs of students
- Support parental involvement activities
- Provide support across all educational settings; escort and supervise students to various locations across all educational settings
