## Department of Health Sciences

### SUMMER 2021

*The Summer 2021 semester will continue to offer classes remotely. Students that registered in a course that has a required hand on component will be granted limited access to the college for practice and skills to complete the program.*

## EKG Technician Hybrid Program (73 hrs.)

This 73-hour hybrid EKG Technician Certification prepares you to function as EKG Technicians in doctor's offices, hospitals, and clinics. Upon successful completion of the course you will be eligible to take the National Health Career Association (NHA) Exam for EKG Technicians. This course will include important practice and background information on anatomy of the heart and physiology, medical disease processes, medical terminology, medical ethics, legal aspects of patient contact, laboratory assisting, electrocardiography, and echocardiography. Additionally, you will practice with equipment and perform hands-on labs including introduction to the function and proper use of the EKG machine, the normal anatomy of the chest wall for proper lead placement, 12 lead placement and other clinical practices. *Michele Orzechoski, MSN, RN*
